Good afternoon,

Thank you for setting up the meeting with the engineers for next week. The City Clerk's office sent me an email this morning asking where our first draft of the Management District Plan was since we should already be on our second draft. We've been stuck on obtaining the sizes of all of the buildings located within the boundaries of the proposed expansion areas. See the attached timeline.

The Port parcels only take into account building size, not parcel size. I would really appreciate getting this information as soon as possible.

Thank you for your assistance. See you next week!

Best regards,

Lorena Parker
